FUNDING CYCLE AT A RECOMMENDED FUNDING LEVEL
COMMENSURATE WITH NEEDS PRESENTED IN THE
SOCIAL SERVICE MASTER PLAN

WHEREAS, pursuant to Resolution R-235-99, the Alliance for Human Services, Inc. was created as a non-profit organization under the laws of the State of Florida on June 15, 2000, and was charged with the responsibility for social and human services planning for Miami-Dade County; for establishing funding priorities in accordance with the Comprehensive Social Services Master Plan ("SSMP"); and as of July 1, 2000, for the allocation of Miami-Dade County's resources to Community Based Organizations (CBOs) in accordance with the SSMP; and

WHEREAS, the Board previously accepted SSMP 2004-2007; and

WHEREAS, the Alliance for Human Services will be submitting the SSMP 2007-2010 for Board approval in the fall; and

WHEREAS, the Alliance for Human Services will be submitting its recommendations for FY 2007-2010 funding levels and priorities consistent with SSMP for Miami-Dade County for Board approval; and

WHEREAS, pending Board of County Commissioner approval, the Alliance for Human Services will execute the CBO Notice of Funding Availability for FY 2007-2010; and

WHEREAS, HIV/AIDS prevention was a funding priority in the past; and

WHEREAS, the Miami-Dade County Eligible Metropolitan Area (EMA) has the fifth highest number of living AIDS cases among large U.S. cities; and

WHEREAS, as of December 31, 2005, there had been 12,967 reported cases of persons living with AIDS and 10,192 reported cases of persons living with HIV (Total 23,159) in Miami-Dade County; and

WHEREAS, data indicated that another 25% (or 5,790) persons are living with HIV or AIDS and are unaware of their diagnosis (not yet tested); and

WHEREAS, the death rate remains highest among African American males and females, exceeding the death rate of all other populations by a factor of three,
